

George B. Hartzog Educational Loan Program

Application for Dependent Child of an E&AA Member

About the Education Trust Fund

Howard Baker implemented the E&AA Education Trust Fund in 1974 to assist members' dependent children to pursue higher education. Many students in E&AA families have benefited. In 2002 this program was named after long time member and supporter George B. Hartzog, Jr. This assistance program is supported only by Tax-deductible contributions. It is a revolving fund that relies on the full and timely repayment of loans in order to continue its mission.

The amount of loans granted each year will depend on the availability of funds. The maximum loan granted per student per year is \$2,500 with a maximum of \$10,000 per student. A family, including dependent children and loans for members' education, may not have more than \$20,000 outstanding to the fund at anytime.

Loan application process and approval

In order to qualify for the loan, the student must be a dependent child/grandchild of an E&AA member in good standing and submit an application and most current transcript by March 1. A Grade Point Average of at least 2.5 is required.

Approval of loans is dependent upon the number of applications received and fund availability. Grade point average and submission date will be considered if necessary. The student must be accepted to pursue a bachelor's degree or its equivalent or be enrolled full time in an accredited program at a college, university or trade school, in good standing.

Request a Dependent Child Loan Application from: E&AA Education Trust Fund, 470 Maryland Drive, Suite 1, Fort Washington, PA 19034 or on line at www.eandaa.org.

In order to process the approved loan, the student and member must submit a signed, notarized negotiable confessed judgment promissory note and proof that the student has been accepted or is enrolled in the school to which the money will be sent. These materials must be submitted to E&AA by the stated deadline.

After the negotiable confessed judgment promissory note and proof of acceptance are received, the E&AA will send the funds as you direct.

In June 2007 the Trust Fund was expanded to meet the needs of NPS employee relief and an Endowment Fund was initiated to support both of these programs.

Education Trust Fund loan repayment terms

Payments on the loan must begin one year from the date of graduation. Payments are then to be made in equal installments over the next sixty months, interest free, until the full amount of the loan is paid. If there is a change in the student's expected graduation date that will, in turn, affect the due date of the loan, the student and/or member must notify the E&AA in writing at least six months before the student's original expected graduation date. All funds issued from the George B Hartzog, Jr. Educational Loan Program are strictly loans and must be repaid. There are no scholarships or grants.

If the student withdraws from school for any reason, installment payments are to begin the first month after the month of the withdrawal and then continue over the next succeeding sixty months until the loan is paid in full. It is the student's and member's legal obligation to notify the E&AA of any change in educational status, address and all other factors that may affect the loan agreement. It is recommended that the notification be made by certified mail. Both student and member are responsible for repaying the loan(s).

Member's dues to the E&AA must be kept current or the loan will be recalled immediately with interest being accrued from the date the loan was issued. The E&AA will determine interest rate. If member and/or student default on the loan, the E&AA shall exercise its legal right to pursue the necessary actions to recover the full amount of the loan including interest, legal fees and administrative costs incurred during such collection. Both the member and the child assume responsibility for the debt.

E&AA anticipates receiving 100% of the loan to be paid back on schedule. If member defaults on a loan E&AA shall exercise its legal right to pursue the necessary actions to recover the full amount of the loan including interest, legal fees and administrative costs incurred during such collection.
